TRAINS.

nder the new regulations persons can ride reight trains provided tickets are pur-ed at stations.

The Fair.

the work of setting the Fair bunds in order goes bravely on. so that it will be second to none he State. Floral Hall has been v shingled and thoroughly rethe grounds.

Inder the general superintencs of Mr. Jonathan Johnson and ooth and even. A new two story tal to any in the State.

ir by far the best ever held in the anty, and it only remains for our mers, mechanics and merchants do their part in exhibiting their ke the Fair a great success.

-New cider at Baldwin's Saloon. -We shall publish the premium of the Orange County Agriculral Association next week.

-Will the writer of the article ided "Mysterious" favor us with or her name. We publish no nymous communications.

-The Officers and Directors of Orange Co. Agricultural Assotion are requested to meet at the 1 o'clock to complete arrangents for the Fair.

-When a fellow nearly breaks his ime for him to sign the pledge.

-The next meeting of the Bradd . Scientific Association will be ld at the Academy, Monday, the st inst., at 7½ o'clock, P. M. Rev. M. C. Fulton will deliver an adural history, social relations, poles and religion." The public are dially invited to attend.

SOUTH NEWBURY. Came into a enclosure of Mr. Stillman Jenon the night of the 9th inst., load of hay and cart. The atapts to find the owner bas failed success. The reputed owner says won't have it and the man whose n it was in said it wasn't his. somebody put it on a wagon and ved it into a field and there it

Now Mr. Printer, pray.
In your next paper say,
To him who owns that bay,
He'd befter charges pay.
And take it all away,
Without further delay.

A good assortment of Fall le hats, flowers, feathers, &c., at s. Curtis'.

-Mottoes at Mrs. Curtis'.

WEST FAIRLEE. Tin Wedding. he friends of Mr. and Mrs. J. W. unn, gave them a complete surse in the form of a Tin Wedding Monday evening of last week, it ing the 10th anniversary of their arriage, The gifts were numerous. Mr. Frary now has possession, mong others was an extension tae, card table, spread, &c. On a etty little salvor, were two \$5 bills om an absent sister of Mrs. Munn. ne prescutation was made in a neat peech, by J. N. Kimball of Boston, hich was responded to by John, his own peculiar style. The eve-ing passed quickly and pleasantly

ith music and social chat. The bles were filled with good things eat, after partaking of which the N. Doble. ests departed. All having been nde happier by this pleasant in-ONE WHO WAS THERE.

-A man named Davis, of Marsheld, while scuffling recently with couple of companions near Kinsy's mills, was accidently thrown nder the cars of the Montpelier 1. On the same afternoon a man

the engine. -Ladies call on Mrs. C. S. Stevas and see the Fall styles in hatsowers, &c., which she is selling

ORFORD. The crop of corn bids fair to be abundant; these warm, sunny days are bringing it forward and ripening it off very fast. The streets are dusty, the surface of the ground dry, and rain is needed .-The prayers announced and held in the churches may be heard and answered with the desired results.

The Bible meeting held on Thursday at Lyme, one week ago, was well atte nded and interesting. The ser-mon was preached by Rev. Mr.Leeds train . 19.38 a. M. | Mail train, 3.17 r. m | of Hanover, Short addresses were | Exp. 12.11 a. M. | Day Exp. 9.28 a. m | given. The interest in the Scripture | work was thought to be in the scripture | The OPINION of last week made the Association at Bath to meet with a Mr. Chandler; whereas it met with Rev. Mr. Cleveland, the pastor of that place, who with Mrs. C made us very happy and comfort-

We fear the press and perhaps the large force of men have been at k for several weeks in fitting it moralized with Brooklyn aflairs.— We have certainly enough of this

order of polite literature. Mr. Moulton said at first, "Mr. Beecher, I am not a christian, but I red; new sheds have been crect-for cattle and sheep; a large d has been built and comfortably d has been built and comfortably how a man—taking his own version of matters—will cover up or reveal lding has been put up for victual- hell as he may the most effectually, purposes, in place of the un-claim. The ninth Psalm and the htly shanties formerly scattered fifteenth verse states his case precisely; the second Psalm is its best in-CLERICUS. terpreter.

HANOVER. Dartmouth College Henry C. McDuffee civil engi- has opened this year with prospects r, the track is being lengthened better than ever before. Several additions have been made to the Mrs. C. S. Stevens'. funds and scholarships. The incoming classes have seldom been larger. nd, fifteen teet square, is being The buildings have all been renovateted for judges and reporters .- ed and repaired. Conant Hall has en finished the track will be been finished and opened. This is a new brick building, opposite Culver Hall built after the plan of he managers are determined its founder, Mr. John Conant, a t there shall be nothing lacking generous farmer of Jaffrey. The their part to make the coming three upper stories are finished into neat suits of students rooms. The first floor is an extension diningroom and kitchen, where some of the products of the College farm are cooked and served to students. The duce, manufactures and wares to dinning hall will seat about a hundred and twenty. It is now full. Good board is furnished and everything seems to be managed well. It is quite an institution of itself, and

a good addition to the College. There have been improvements this they have been managed by there. students little acquainted with the location of the books and perhaps less with the contents. They were open only an hour every other day Rebel cavalry regiment. He subseotter House, on Saturday the 19th. and the books charged on some irregular list. Now they are open five hours every day and the books are properly drawn by tickets. By this new arrangement the seniors k trying to get out of the way are supposed to be the most literary a lightning bug, supposing it to class, as they are allowed to draw the headlight to a locomotive, it six books at a time, Juniors five, Sophomroes four, and Freshmen three. The Reading-Room has been new and latest novelties of the seamoved to the same floor as the libraries in Reed Hall, is neatly kept, well

supplied with papers and magazines. Col. J. B. Clarke of Manchester, has given funds to be appropriated as prizes in Oratory. The prizes are ess upon "Bermuda, its geology, ten, twenty, thirty and forty dollars each, to be contested for by two speakers from each class in the academic and scientific departments, one to be chosen by the class and the other by the Faculty. They are to be given annually with the other prizes at Commencement.

Some other improvements have College, and some new buildings bave been built. Dust is just now the plague of Hanover.

-A lot of Fall mill inery just received at Mrs. C. S. Stevens'. -Another new lot of neckties and collaretts at Mrs. C. S. Stevens'.

Post Mills. We understand that Howe & Hosford have rented rooms over Samuel Ladd's saw mill and are fitting them for a run of particulars you are referred to their former customers.

The Star Mills are up for repair under the supervision of that wellknown carpenter, C. F. Guild. Kimball has rented his mills to

E. Frary, formerly of Bradford, Capt. Chubb's house is now receiving the finishing touch of the painter's brush. Had we more like tion. Above all, to the young peothe Chubbs our village would pre-

sent a more pleasing aspect. Among the visitors to our village with that genial landlord, Col. H. this taste freely.

NORTH THETFORD. Jacquith is painting his store and brushing up before going to market.

-Mr. Fred. C. Hooper of Manchester, Mass., died on the 4th inst., from the effects of swallowing a oftener than their hearts are gone ad Wells River railroad, and kill- from the effects of swallowing a gutta percha cast containing three false teeth, on the 25th of August burning toward one another would amed Bundy, from Methuen, Mass., false teeth, on the 25th of August, burning toward one another would be spared us, could we but look at as killed on the same road while while eating. Every means known irelessly jumping upon the pilot to the medical faculty was employed for his relief, but without avail, and he finally died of hemorrage. He was 21 years of age.

-The newly appointed Clerk of Court for Strafford county was formerly a commissioned officer in a quently received a nearly fatal fall in Atlanta, Ga., and came North about two years ago to die. He has continued to improve, however, and is now beginning to reap the reward of past political service.

-Ladies if you wish to see the son in neckties, belts, collars, cuffs, &c., call at Mrs. C. H. Curtis'.

OUR State boasts a host of smart old people, among whom the following are named: Hannah Bowen of Bethel, aged ninety-two, wife of S. Bowen, is holding her own with other young folks at picking hops, having worked several days this season in the field. Brandon has a Mrs. Justus Hyatt, aged eighty-two year, who walked from her residence, a few days ago, to Leicester, a distance of six miles and then wanted been made in town, outside of the to walk back the same day. Vershire boasts of Mrs. Lucy Hinkly, who is ninety-two years of age and has been spining at several different places. In one place she spun twenty knots a day and knit one large mitten each day, for eight days in succession. Royalton has a man whose name is Wild, and they call him "Square," who, although upward of eighty, carries on his farm works hard ages and sleave and works hard, eats and sleeps well and feels just as well as ever he did.

A TASTE EOR READING. Whostone for grinding provender and Western meal, which they propose to run on the square. For further Not only that, but a safe one, pro-Not only that, but a safe one, provided virtue and inteligence go with such a taste. The storm may howl outside, but still the hours chime on pleasantly. They are to be pitied who lack this resource. They are to indeed at the mercy of excitements, and deprived of these, weariness ple of both sexes in our cities, is a taste for reading a blessing. We we notice the brother of our respect. ed merchant, Mr. Taylor of Boston, are so cheap, that even those who who is stopping at the Lake View are limited in purse may yet indulge

LIGHT ON A DARK SUBJECT.—
How often a sound night's sleep changes our feelings toward those who differ from us! And how can.

The operation will not only make the Feather les clean and healthy, but will make them amost twice the bulk: In fact make them nearly as good as new. Shop over R. R. Aldrich's Kit- Mill, near the Grist Mill.
